

MAKING MUSIC IS AS EASY AS ABC...

Playing along

PUT ON A FAVOURITE SONG OR INSTRUMENTAL PIECE ~ FOR EXAMPLE

“THE LION SLEEPS TONIGHT”

[HTTPS://YOUTU.BE/MU6TAN2XNDW](https://youtu.be/mu6tan2xndw)

- A** Listen for the heartbeat (the “pulse”) of the music
Use the eggs or other instruments to play along with the pulse
Listen for what’s happening in the gaps between the main heartbeats (the “offbeats”)
Use an egg or other instrument to copy the off-beat patterns

- B** Listen for other repeated patterns (“rhythms”) that may be going on over the heartbeat and off-beat patterns
for example “a-wimoweh, a-wimoweh, a-wimoweh, a-wimoweh”
in “The Lion Sleeps Tonight”
Use an egg, other instrument or your voice to copy these rhythms.
There may be more than one - listen carefully!

- C** Listen to the melody
Use your voice, an egg or another instrument to copy the melody
